[blitzy]: elaborate Twink

[Angel]: No.

[StumbleGuysPro74]: why did it take so long to respond

[Angel]: its hard typing w/ 1 hand

[Angel]: i only get bricked from u and thunder soz

[Angel]: (sometimes beel but we dont discuss that)

“its hard typing w/ 1 hand” implying he is masturbating to this. Also providing a person(s) list that he finds sexually attractive through a video game interface.

INVESTIGATION TRANSCRIPT:

13/9/23 (DD/MM/YY)

A Constable of Military Police was contacted about a report regarding Moderators of a moderately large community of a Dutch Caribbean Island game. The reporter provided evidence of the recorded violators for things such as pedophilia, concealing of sexual and criminal alternative accounts, luring Minors into Erotic Roleplay games also known as Condo Games. The investigation was initiated immediately. The evidence submitted with the report was added into evidence accordingly.

14/9/23 (DD/MM/YY)

Investigation halted due to command criteria.
Re-authorized late afternoon time of GMT.

15/9/23 (DD/MM/YY)

Upon the further investigation within the Antilles and Kingdom of Netherlands discord servers, other documents with furthermore supporting evidence of the suspected Moderators, showing a primary suspect; nestenes, concealing his alternative account in which he took part in the suspected "ERP hangouts." Moderators nestenes, Vleugels, and timoschuur1 were recorded concealing & banning person(s) in knowledge of nestenes alternative account. The documents as well as primary photographs have been added to the evidence sections accordingly.

16/9/23 (DD/MM/YY)

Game Domains suspected of violations were investigated by Constables by mutual favorited games on suspects profiles. Results of sexual references to fetishes were photographed including bondage, gagging, blindfolding, and torture. TLK Prison was later put on primary game domains as the UI in some photos match the games systems.

17/9/23 (DD/MM/YY)

Document was formatted and evidence trello was made & edited accordingly.

18/9/23 (DD/MM/YY)

Conducted search for more proof of violation evidence within community public discord servers.

19/9/23 (DD/MM/YY)

Victim statements are entered into the document.

20/9/23 (DD/MM/YY)

Document is finalized.

21/9/23 (DD/MM/YY)

Document is pending approval for final touches and configuration lock.

22/9/23 (DD/MM/YY)

Constables #008, #013, #010, #016 are approved dismissal from further involvement with the case. Remaining constables #003, #007, #009, #019, #014 remain assigned to the case.

1/1/24 (DD/MM/YY)

Document is approved of finalized state to be published.

1/1/24 (DD/MM/YY)
